**ADDENDUM #1
RFP # 02232010-1400**

SHERIFF'S OFFICE EMERGENCY COMMUNICATIONS CENTER (ECC)

This Addendum # 1 is issued to provide answers to questions received by January 28, 2010.

This Addendum consists of one (1) item as detailed below:

1. Questions & Answers - Re: 5.0 Civil Work/Tower

Q1: 5.3: What County/Agencies will review Plans?

A1: The plans will be reviewed by the County Department of Community Development (which includes Building Inspections) and the Sheriff's Office.

Q2: 5.5: Will the County require the NEPA and Section 106 as other commercial towers built in the county?

A2: Any and all permits required for the installation of a tower will be required.

Q2.1: If you waive, do you have written permission from COVA Dept. of Historic Resources?

A2.1: The County does not have a Historic Commission.

Q2.2: Does the County have a Historic Commission to pass this tower Application for review?

A2.2: The County does not have a Historic Commission.

Q3: 5.8: What Grounding system Standards will be the guiding principle. (NEC, R-56, EIA/TIA?)

A3: This information unavailable at the time of Addendum 1 issuance.

- Q4: 5.8 : Fence: 3 strand Barbed Wire in top?
A4: No barbed wire is specified but if deemed necessary, we will use 3 strand. Only need to deter anyone from climbing the tower.
- Q5: Any shelters, generators, ATS, power or Fuel tanks to be accounted for in the Site Plan or Work Scope?
A5: There should be no need for shelters, generators or fuel tanks
- Q6: Tower: Lattice or monopole?
A6: The type of tower will probably be a monopole, but that is up to the responding firm to propose what will work best with their system.
- Q7: FCC Registration?
A7: FCC registration will be as required by law or code.
- Q8: Lighting Requirements for Helipad nearby?
A8: A Helipad has not been requested/planned.
- Q9: How far is tower from Equipment Building or Space? Ice Bridge length?
A9: A copy of the site plan will be available at the pre-proposal meeting.
- Q10: Does the County have a Civil/Site Plan Engineer on Contract for the County that the Vender may engage?
A10: The County currently has engineering contracts with URS, Whitman, Requardt & Associates (WRA) and Draper Aden Associates (DAA.).
