NON- CAPITAL ITEMS

Automatic Metering (AMI)

- Fortiline is moving forward with the AMI meter installs. 250 additional meters have been installed. Service Authority staff are working on problematic meters i.e., boxes infiltrated with sand and slit, setters needing replacement, deep meter boxes and locating meters.

Inflow and Infiltration Program

- Over 7000 ft of sewer pipes were cleaned and inspected. Several sources of I & I were identified and will be addressed.

Payne Well Upgrades

- Upgrades are completed.

Rate Plan Implementation

- Rates have been implemented as of this billing cycle.

Low Income Housing Water Assistance

- All funding has been used for this program.
