

Virtual EMS Night Out 2022

My Heart Will Go On: Introduction to the Cardiac Catheterization and Electrophysiology Labs for EMS

Free Virtual EMS Seminar with VA CE Provided

Wednesday
February 23, 2022
6:00 p.m. – 7:00 p.m.

Join us as Amy Harney, RCIS and Bekah Strausbaugh, BSN-RN provide an overview of the MWH Cath Lab, what to expect when you call a STEMI from the field, review cardiac physiology and present STEMI case studies. Participants must register to receive the lecture Zoom link.
